

Khilafat (Successorship) Day NSW

June 8th 2008 saw Jamaat Ahmadiyya New South Wales celebrate 100 years of Khilafat (Successorship). The program started at 2.30pm on a cold and rainy day, with a short recitation of the Holy Quran. The stage was adorned in green and flashes of photography could be seen everywhere.

There were a number of speeches and presentations given on the blessings of Khilafat and our Responsibilities and the System of Khilafat. The main message of the day was that God Almighty has granted Ahmadi Muslims with the blessings of Khilafat, but it is up to us whether we benefit from it or not. The blessings alone will not take us to our final destination.

Lunch was served early in the day and a special thankyou is extended to ALL sisters who prepared such a wonderful meal; your efforts are greatly appreciated.

During the course of the day, there were also a number of beautiful poems presented, one of which a member of the Women's Auxiliary of Sydney had written herself and another which a young girl had written on the 5th Caliph and current head of the Ahmadiyya Worldwide Jamaat.

After a question and answer session, the day came to a close at 4pm with a silent prayer. Chocolates were handed out to everyone in celebration of this auspicious day.
